

Energy Service Vendors – Energy Saving Projects

October 9, 2008 – Revised November 10, 2009

Approved: Vendors are listed alphabetically. Order of listing is not a reflection of the qualifications or capabilities of vendor.

Ameresco
William Skosky
502-420-1966
bskosky@ameresco.com

Burns & McDonnell Engineering Co., Inc.
John Kelsh
816-822-3388
jkesh@burnsmcd.com

Chevron Energy Solutions
Brad G. Boerger, Regional Sales Director
913-748-8623
bboerger@chevron.com

Comfort Systems USA Energy Services
Tim Staley
501-320-2725
tim.staley@comfortsystemsusa.com

Energy Systems Group
Melanie Hayes
501-515-7286
mhayes@energysystemsgroup.com
Steve Packard
479-287-9021
spackard@energysystemsgroup.com

Johnson Controls, Inc.
Jason Fritsche
225-298-4219
jason.a.fritsche@jci.com

Siemens Building Technologies
Robert McMillin
615-837-0245
robert.mcmillin@siemens.com

TAC Schneider Electric
Terry Rowe
501-978-1155
terry.rowe@tac.com

The Benham Companies, Inc.
Dan Bielski
501-228-4420
dan.bielski@benham.com

TME, Inc.
Steven Ward
501-666-6776
SWard@tme corp.com

Trane, Division of American Standard
Mike McClellan
501-661-0621
mjmclellan@trane.com

APPROVED ENERGY SERVICE VENDORS

Ameresco

- Auditing
- Project Development
- Performance Contracting
- Financing Capabilities
- HVAC
- Lighting Retrofits
- Boiler Units
- Chiller Plants
- Water Conservation
- Control Systems
- Electrical Distribution/Power Management
- On-site Generation, UPS Systems
- Building Envelope
- Renewable Energy Technology
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit

Burns & McDonnell Engineering Co., Inc.

- Performance Contracting
- Retrofits
- Central Plants
- Energy Management
- Control Systems
- HVAC
- Water Conservation
- Project Management
- Design/Engineering
- Building Envelope
- Construction Management
- Auditing/Assessment
- Financial Capabilities
- Renewable Energy Technology
- Labor/Installation – Sub-contracted
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit

Chevron Energy Solutions

- Retrofits & Upgrades
 - Lighting
 - Boiler Systems
 - HVAC
 - Utility Infrastructure
 - Cooling Towers
 - Chilling Systems
- Performance Contracting
- Financial Capabilities
- Training/Implementation/Commissioning
- Auditing

- Minimum Bid Limit = \$500K
- No Maximum Bid Limit

Comfort Systems USA

- Preliminary Assessment/Auditing
- Performance Contracting
- Energy Conservation
- Energy Efficiency Studies
- HVAC
- Retrofits and Upgrades
 - HVAC
 - Lighting
 - Control Systems
- Building Automation
- Planned Replacement and Repair Services
- Financial Capabilities
- Construction Management

Energy Systems Group

- Technical Auditing
- Construction Management
- Performance Contracting
- Engineering
- Financial Capabilities
- Building Envelope
- HVAC
- Central Plants
- Water Conservation
- Retrofits & Upgrades
 - Lighting
 - Chiller
 - Boilers
- Training/Implementation/Commissioning\
- No Minimum/Maximum Bid Limit

Johnson Controls, Inc.

- Preliminary Assessment/Technical Auditing
- Energy Conservation
- HVAC Systems
- Retrofits & Upgrades
 - Lighting
 - Chiller
 - Boiler
 - Economizers
 - Cooling Towers
- Water Conservation
- Building Envelope
- Project Management/Administrative
- Performance Contracting
- Financing Capabilities
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit

Siemens Building Technologies

- Energy & Water Conservation
- Lighting Design Retrofits
- Mechanical Systems
 - Chillers
 - Boiler Systems (new)
 - Heat Recovery Systems
 - Boiler Conversion
 - HVAC
 - Steam Trap Maintenance/Replacement
 - Cooling Towers
 - Economizer Systems
 - Refrigerators & Freezers
- Service on All OEM Equipment
- Utility Infrastructure
- Renewable Energy Technology
- Performance Contracting
- Financing Capabilities
- Project Management
- Training/Implementation/Commissioning
- Engineering/Auditing
- No Minimum/Maximum Bid Limit

The Benham Companies, Inc.

- Energy Auditing
- Lighting
- Energy Management Systems
- Energy Audits/Surveys
- Energy Conservation
- Design Build
- Boiler Upgrades
- Chilled Water Systems
- HVAC
- Engineering Services
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit

TME, INC.

- Energy Auditing
- Performance Contracting
- Project Management
- Project Development
- Consulting Services
- Design
- Utility Management Program
- Financing Capabilities
- Boiler Upgrades
- Chilled Water Systems
- HVAC
- Co-generation
- Automated Metering/Cost Allocation
- Lighting Upgrades
- Steam Systems
- Air Distribution
- Engineering Services
- Training/Implementation/Commissioning
- \$50,000 Minimum/\$500,000 Maximum Bid Limit

Trane, Division of American Standard

- Detailed Energy Study/Audit
- Financing Capabilities
- Performance Contracting
- Engineering/Design
- HVAC Systems
- Lighting Retrofits
- Building Automation Systems
- Steam Trap Replacements
- Dedicated Outside Air Units
- Chiller/Boiler Plants
- Water Conservation
- Building Envelope
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit

TAC (Tour Andover Controls)

- Auditing/Assessment Reporting
- Financing Capabilities
- Performance Contracting
- Project Management
- HVAC Redesign/Replacement
- Chiller Replacement
- Boiler Retrofits
- Lighting Retrofits
- Mechanical Repairs
- Steam to Hot Water Conversions
- Economizer & Free Cooling Retrofit
- Variable Speed Drive & Motors
- Fan Coil Unit Replacement
- Water Conservation
- Training/Implementation/Commissioning
- No Minimum/Maximum Bid Limit
