purchase order to the vendor. Items that have an order date prior to the newest effectiveness date will be invoiced at the current effective price on the date of the purchase order regardless of when delivery is accepted.

1. **GENERAL:** Any special terms and conditions included in the invitation for bid override these standard terms and conditions. The standard terms and conditions and any special terms and conditions become part of any contract entered into if any or all parts of the bid are accepted by the State of Arkansas.
2. **ACCEPTANCE AND REJECTION:** The state reserves the right to accept or reject all or any part of a bid or any and all bids, to waive minor technicalities, and to award the bid to best serve the interest of the state.
3. **BID SUBMISSION:** Bids must be submitted to the Office of State Procurement on this form, with attachments when appropriate, on or before the date and time specified for bid opening. If this form is not used, the bid may be rejected. The bid must be typed or printed in ink. The signature must be in ink. Unsigned bids will be disqualified. The person signing the bid should show title or authority to bind his firm in a contract. Each bid should be placed in a separate envelope completely and properly identified. Late bids will not be considered under any circumstances.
4. **PRICES:** Quote F.O.B. destination. Bid the unit price. In case of errors in extension, unit prices shall govern. Unless otherwise specified, the bid must be firm for acceptance for thirty days from the bid opening date. "Discount from list" bids are not acceptable unless requested in the bid invitation.
5. **QUANTITIES:** Quantities stated in term contracts are estimates only, and are not guaranteed. Bid unit price on the estimated quantity and unit of measure specified. The state may order more or less than the estimated quantity on term contracts. Quantities stated on firm contracts are actual requirements of the ordering agency.
6. **BRAND NAME REFERENCES:** Any catalog brand name or manufacturer's reference used in the bid invitation is descriptive only, not restrictive, and used to indicate the type and quality desired. Bids on brands of like nature and quality will be considered. If bidding on other than referenced specifications, the bid must show the manufacturer, brand or trade name, and other descriptions, and should include the manufacturer's illustrations and complete descriptions of the product offered. The State reserves the right to determine whether a substitute offered is equivalent to and meets the standards of the item specified, and the state may require the bidder to supply additional descriptive material. The bidder guarantees that the product offeror will meet or exceed specifications identified in this bid invitation. If the bidder takes no exception to specifications or reference data in this bid he will be required to furnish the product according to brand names, numbers, etc., as specified in the invitation.
7. **GUARANTY:** All items bid shall be newly manufactured, in first-class condition, latest model and design, including, where applicable, containers suitable for shipment and storage, unless otherwise indicated in the bid invitation. The bidder hereby guarantees that everything furnished hereunder will be free from defects in design, workmanship and material, that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which it was furnished. The bidder further guarantees that if the items furnished hereunder are to be installed by the bidder, such items will function properly when installed. ~~The bidder also guarantees that all applicable laws have been complied~~
