

ARKANSAS DEPARTMENT OF HUMAN SERVICES
PERFORMANCE BASED CONTRACTING

Pursuant to Ark. Code Ann. § 19-11-267 et seq., selected Contractor shall comply with performance-based standards. Following are the performance-based standards that will be a part of the contract and with which Contractor must comply for acceptable performance to occur under the contract.

1. Contractor must comply with all statutes, regulations, codes, ordinances, and license/certification requirements applicable to Contractor, Contractor's agents and employees, and the subject matter of the contract. Failure to comply shall be deemed unacceptable performance.
2. Except as otherwise required by law, Contractor agrees to indemnify and hold harmless the contracting Division/Office for any additional costs of alternatively accomplishing the goals of the contract, as well as any liability, including liability for costs or fees, which the contracting Division/Office may sustain as a result of Contractor's performance or lack thereof.
3. During the contract term, the Division/Office will complete sufficient performance evaluations to determine if Contractor's performance is acceptable. The damages set forth below are not exclusive and shall in no way exclude or limit any remedies available at law or in equity.
4. The State **shall** have the right to modify, add, or delete Performance Standards throughout the contract term, should the State determine it is in its best interest to do so. Any changes or additions to performance standards will be made in good faith following acceptable industry standards and may include Vendor's input so as to establish standards that are reasonably achievable.
5. The contract program deliverables and performance indicators to be performed by Contractor are:

The penalty will be calculated from the total months' payment in which the deficiency took place; or</p> <p>A one percent (1%) penalty, assessed in the next payment for each failure to report. The penalty will be calculated from the projected total yearly contract amount, as determined by DHS.</p> <p>DHS may elect to calculate penalties/damages differently per occurrence.</p> <p>In addition to the above, Contractor shall be responsible for any penalties, fees, and costs imposed on DHS associated with Vendor's failure to timely and accurately provide the requested information and documents.</p> <p>In addition to the above penalties, DHS reserves the right to impose additional penalties including without limitation, requiring a CAP, withholding payment on future invoices until Vendor is in full compliance, maintaining a below standard VPR in Vendor's file, and contract termination.</p>

Failure to meet the minimum Performance Standards as specified **may** result in the assessment of damages.

In the event a Performance Standard is not met, Vendor will have the opportunity to defend or respond to, or cure to the satisfaction of the State, the insufficiency. The State **may** waive damages if it determines there were extenuating factors beyond Vendor's that hindered the performance of services if it is in the best interest of the State. In these instances, the State **shall** have final determination of the performance acceptability.

Should any compensation be owed to the agency due to the assessment of damages, Vendor **shall** follow the direction of the agency regarding the required compensation process.

ⁱ Nothing in this table is intended to set forth all obligations of Contractor under the contract. These obligations are in addition to any others imposed by the contract and applicable law.

ⁱⁱ The damages set forth are not exclusive and shall in no way exclude or limit any remedies available at law or in equity.
