

Submission of Written Questions

Instructions

This Response Template must be used for submission of written questions. All questions should provide the requested information. Those that do not, may not be answered by the Department. The Prospective Contractor may add as many lines as needed. The Department would strongly prefer the Prospective Contractor to ask multi-part questions as individual questions on separate lines. **Instructions:** Complete all cells of each question asked in the Table below. Clearly identify the referenced section or text.
